Save Precious Time with Convenient Electronic Inspection Reports from IAPMO R&T

ONTARIO, CA (May 22, 2007) — Tired of waiting for inspection reports? [IAPMO Research and Testing](http://www.iapmo.org), the premier product certification agency for the plumbing and mechanical industries, offers a convenient electronic delivery service for all inspection reports, saving your company time and hassle.

IAPMO R&T listees receive a copy of their inspection report via e-mail immediately after the inspection is performed, eliminating the wait for hard copies to arrive. Because the electronic report is delivered instantly, companies can review the findings for any non-conformities, which can then be addressed without delay. This service streamlines the inspection process, helping companies improve their overall workflow efficiency.

“As the preferred certification agency for plumbing and mechanical product manufacturers, IAPMO R&T strives to continually offer new, value-added benefits to our clients,” said Shahin Moinian, senior director of IAPMO R&T. “The electronic inspection reports are just one more way that our service goes above and beyond the rest.”
